Programme Objectives

Emphasis is placed on role-playing and projects to make it a fun and interactive learning experience. Highly qualified lecturers determine your level of English through a placement test on arrival. A course designed to meet your learning objectives is delivered. The use of English books are supplied during the course with the ‘Cutting Edge’ suite of textbooks forming the basis for classes.

Duration & Pricing

Our one year work study programme includes 25 tuition weeks English tuition and includes one year medical insurance. We arrange host family accommodation for the first two weeks of your stay in Ireland during your orientation period. The cost of the programme is €2,500.

Cultural Experience

An extensive cultural experience of Dublin includes visits to various tourist attractions including museums, art galleries and castles. Our location in the city centre ensures easy access to Dublin’s restaurants and nightlife.
